*\*names in blue indicate founding members of the ICSI*

## 16 qualified individuals, all members of the ICSI

René Amalberti • Michel Cathala • René Deleuze • Philippe Essig • Yves Favard • Nicole Maire  
François Mongenet • Jean-Claude Motte • Jean-Michel Pestel • Tony Pozzana • Jean-Claude Rébeillé  
Marc Renard • Jacques Ripoché • Claude Savasta • Gilles Vacher • Jean-Pierre Van Eecke

## The members of the ICSI are committed to

- ▶ Participating in discussion groups which, aside from being a platform for knowledge sharing, are aimed at improving training courses, identifying research topics and disseminating knowledge as widely as possible,
- ▶ Promoting the values of the safety culture by participating in ICSI activities,
- ▶ Helping to generate students educational need in order to carry out their professional activities, via research projects and final year internships for example,
- ▶ Attending the general meeting and, where appropriate, participating in other ICSI boards and committees such as the board of directors, the advisory and assessment board, and the training steering committee.
